1. **CONSIDERATION OF:** Proposed amendments to **NGC REGULATION 22, "RACE BOOKS AND SPORTS POOLS,"** to define the terms "account wagering system", "Group I licensee", "Group II licensee", "secure personal identification" and "wagering account"; to include "other animal races" as a type of event on which race books may accept wagers; to indicate the differences in the applications and internal control procedures that must be filed by Group I & II licensees for race & sports books; to eliminate the "transition provision" in Regulation 22.035 regarding the registration of employees that was adopted in November 1998; to eliminate an incorrect reference in Regulation 22.040(6)(b); to replace the term "board" with the term "chairman", where appropriate; to make the term "chairman" non-gender specific; to eliminate the requirement of printing a betting ticket for account wagers; to clarify that wagers may be made against credits in a wagering account; to clarify that the use of an account wagering system must be approved by the chairman; to eliminate references to safekeeping/front money accounts; to replace the term "bettor" with the term "patron"; to correct the inference that in-house wagers on greyhound racing could not be accepted unless approved in writing by the chairman; to move the provisions regarding annual approval of wagering communications technology from Regulation 22.140 to Regulation 22.130; to require a book employee to obtain a patron's gender when establishing a wagering account; to remove the provisions regarding pari-mutuel horse race wagering accounts and reference to proposed Regulation 26C that will address pari-mutuel horse race wagering accounts; to clarify that wagering communications must be recorded separately from the computerized bookmaking system; to expand the provisions regarding account wagering; and to eliminate the provisions regarding credit accounts.
